## Children's Theater Workshop June 20-25, 2016 3-5 pm

Would you like to act in a real live play? Build the set? Learn all the behind-the-scenes tricks to creating a live performance? Pierre Players Community Theatre is having a theater workshop to explore acting and other stage arts.

The workshop involves two days of learning sessions – including building set, creating costumes, improv games, and vocal expression. We will hold auditions to cast everybody in our two skits.

In *More than a Match*, the king's most powerful warriors are defeated by a giant who's blocking the road, and the Wise One must find a way past.

*Two-Eyes* is different from her sisters and others, because she has just two eyes and struggles to find acceptance.
